Dear Member:

Enclosed is your new **PIN (Personal Identification Number) for your new MIDFLORIDA debit card which will be delivered to you soon.** In the meantime, keep this information in a secure location until you receive your card.

With your PIN in hand, once you receive your new MIDFLORIDA debit card, **you should have everything you need to activate your card and begin using it immediately**. **Remember, your Space Coast/Eastern debit card will no longer function as of June 30, 2012 and should be shredded.** *(See back for additional details.)*

This PIN was computer-generated but can be customized if you prefer. Just bring your new debit card to any branch to select any four-digit PIN of your liking.

If you have any questions about your card or the activation process, please call **the Help Desk toll free at (877) 727-1ASK or visit one of the six locations listed below that will be open for Special Spin-Off hours on Sunday, July 1.**
