Dear Member:

The conversion of your account to MIDFLORIDA is complete. However, if you had electronic payments and deposits established with your SCCU account, you will need to contact each business as soon as possible to ensure that these transactions post to your new MIDFLORIDA account without interruption or delay. In the interim, please be assured that a temporary solution is in place to allow these transactions to post to allow you the opportunity to make these updates.

Using the enclosed form, contact each business with whom you have an ACH (Automated Clearing House) transaction established to update your account number (if necessary) and MIDFLORIDA's information. Common examples of these types of transactions are: payroll direct deposit, Social Security, dividend receipts from investments, insurance premiums, mortgage payments, etc. Each business may have a different method or form to complete so the enclosed document may not be universally accepted, however, the information on it should allow you to complete any document required. (Additional copies of this form are available for download at midflorida.com/space-coast.)

If you have any questions about this process, would like more copies of the form mailed to you or need help, please call the Help Desk toll free at (877) 727-1ASK.

We are so glad to have you as a member of MIDFLORIDA and hope you will continue to choose us for all your financial needs.

Sincerely,

Doreen Peacock

Senior Vice President, Electronic Services
