1. The referring member may refer multiple friends for this offer. You may refer multiple friends for a new checking or a new loan, however, you can only receive one incentive per referred friend. To receive the referral incentive, a full copy of this card must be presented at loan application, with Notice of Payment section signed and dated. Incentive amount will be based on loan balance. Members who refer a loan of \$15,000 or more will earn \$50. Referred loans of \$5,000 to \$14,999 will earn \$25. Lines of credit follow the same guidelines, but only qualify with a minimum advance of \$1,000. Incentive will be posted to the referring member's account after the referred friend closes a qualifying loan. To qualify for referral, new customer must not share household with the referring member. You cannot refer your own loan. Home loans, business loans, and the refinance of existing MIDFLORIDA loans will not qualify for the referral incentive. Limit 10 referrals per member. 2. Credit approval required. To qualify for the \$200 incentive, borrower must refinance a loan (excluding first mortgages) of \$15,000 or more from another financial institution. Loans of \$5,000 to \$14,999 will receive a \$100 credit. Existing MIDFLORIDA loans will not qualify for the refinance incentive. Loan incentives will be applied to a MIDFLORIDA Visa® Platinum or Visa® Signature credit card. If borrower does not currently have a MIDFLORIDA Visa® Platinum or Visa® Signature credit card, they must apply for one, then activate and use the card to receive the incentive.
