### Skip-A-Payment Agreement

Available for closed-end, fixed-rate loans only. Leases, mortgages and second mortgages do not qualify for this offer. To qualify your loan must be current, open for at least 9 months, have had no late payments within the last 9 months and had no other skipped payments within the last calendar year. Skipped payment will extend term of loan by one payment. Loans with guarantors are not eligible for mail or online Skip-A-Payment and must go to a MIDFLORIDA branch to request Skip-A-Payment.

<sup>1</sup> If your Retail Installment Sale Contract so provides, the fee for skipping a payment is \$15. In addition to the \$15 deferment fee and the costs of extending required or optional insurance, you will also be required to pay additional finance charges as a result of exercising the deferment option.
