

Quicken for Mac Conversion Instructions

Express Web Connect to Direct Connect

Introduction

As **Community Bank & Trust** completes its system conversion to **MIDFLORIDA Credit Union**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your login credentials for online banking and/or Direct Connect.

NOTE: **Express Web Connect** uses the same User ID and Password as the **Community Bank & Trust** website. **Direct Connect** for **MIDFLORIDA Credit Union** may require registration. Please contact MIDFLORIDA to verify your Direct Connect login information.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!
