

## **BUSINESS TERMS AND CONDITIONS, PRIVACY POLICY & FEE SCHEDULE**

**AGREEMENT** - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully. If you sign the signature card to open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws and the laws of the state of Florida (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

**BYLAWS** - Our bylaws, which we may amend from time to time, establish basic rules about our credit union policies and operations which affect your account and membership. Our right to require you to give us notice of your intention to withdraw funds from your account is described in the bylaws. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s).

**LIABILITY** - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. You will also be liable for our costs to collect the deficit as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account including, but not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account.

**DEPOSITS** - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open.

**WITHDRAWALS** - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to endorse any item payable to you or your order for deposit to this account or any other transaction with us. You agree that, as to any item that we have no opportunity to examine the signatures, such as an electronic check conversion transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation, you waive any requirement of multiple signatures for withdrawal. We may charge your account for a check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us, by any method we do not specifically permit, which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations (if any) as your act of closing the account. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. You agree that we may charge fees for overdrafts and use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees. If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item. See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts for which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal.

**BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS** - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

**STOP PAYMENTS** - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law, it must be made in a signed and dated writing, and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you sign the item or not, if you have an equal or greater right to withdraw from this account than the person who signed the item. Your stop-payment order is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. We are not obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

**TRANSFER LIMITATIONS** - For savings and money market accounts you may make up to six transfers or withdrawals by means of a preauthorized, automatic, or telephonic transfer to another account of yours or to a third party or by check, debit card, or similar order to a third party during any calendar month (or statement cycle of at least four weeks). A preauthorized transfer includes any arrangement with us to pay a third party from your account at (i) a predetermined time; (ii) on a fixed schedule or (iii) upon oral or written orders including orders received through the automated clearing house (ACH). If the transfer or withdrawal is initiated in person, by mail, or at an ATM then there is no limit on the number of payments that may be made directly to you, directly to us for amounts you owe us, or transfers to other accounts you have with us. Withdrawals by phone are also unlimited if you are requesting that a check be mailed to you.

**AMENDMENTS AND TERMINATION** - We may change our bylaws and any term of this agreement. Rules governing changes in rates are provided separately in the Specific Account Details disclosure or in another document. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We may close this account if your membership in the credit union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items and charges to be paid from the account. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. At our option, we may suspend your rights to member services if you violate the terms of this agreement. You must keep us informed of your current address at all times. Notice from us to any one of you is notice to all of you. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

**STATEMENTS - Your duty to report unauthorized signatures, alterations and forgeries** - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your duty to report other errors - In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. You agree that the time you have to examine your statement and report to us will depend on the circumstances. However, such time period shall not exceed 60 days. Failure to examine your statement and report any such errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any such errors on items identified in that statement and as between you and us the loss will be entirely yours.

**ACCOUNT TRANSFER** - This account may not be transferred or assigned without our prior written consent.

**DIRECT DEPOSITS** - If, in connection with a direct deposit plan, we deposit any amount in an account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

**RIGHT TO REPAYMENT OF INDEBTEDNESS** - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt owed to us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balance the due date for which we properly accelerate under the note.

In addition to these contract rights, we may also have rights under a "statutory lien." A "lien" on property is a creditor's right to obtain ownership of the property in the event a debtor defaults on a debt. A "statutory lien" is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us, in accord with the statutory lien.

Neither our contract rights nor rights under a statutory lien apply to this account if prohibited by law. For example, neither our contract rights nor rights under a statutory lien apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

**RESTRICTIVE LEGENDS** - We are not required to honor any restrictive legend on checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00."

**FACSIMILE SIGNATURES** - You authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose.

**PLEDGES** - Unless we agree otherwise in writing, each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective. For example, if an account has two owners and one of the owners pledges the account (i.e., uses it to secure a debt) and then dies, (1) the surviving owner's rights in this account do not take effect until the debt has been satisfied, and (2) the debt may be satisfied with the funds in this account.

**STALE-DATED CHECKS** - We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner we have described elsewhere.

**ENDORSEMENTS** - We may accept for deposit any item payable to you or your order, even if they are not endorsed by you. We may give cash back to any one of you. We may supply any missing endorsement(s) for any item we accept for deposit or collection, and you warrant that all endorsements are genuine.

**BACKUP WITHHOLDING/TIN CERTIFICATION** - Federal tax law requires us to report interest payments we make to you of \$10 or more in a year, and to include your taxpayer identification number (TIN) on the report (the taxpayer identification number is your social security number if you are an individual). Interest includes dividends, interest and bonus payments for purposes of this rule. Therefore, we require you to provide us with your TIN and to certify that it is correct. In some circumstances, federal law requires us to withhold and pay to the IRS a percentage of the interest that is earned on funds in your accounts. This is known as backup

withholding. We will not have to withhold interest payments when you open your account if you certify your TIN and certify that you are not subject to backup withholding due to underreporting of interest. (There are special rules if you do not have a TIN but have applied for one, if you are a foreign person, or if you are exempt from the reporting requirements.) We may subsequently be required to begin backup withholding if the IRS informs us that you supplied an incorrect TIN or that you underreported your interest income.

**CHANGING ACCOUNT PRODUCTS** - We may change your account to another product offered by us at any time by giving you notice that your account will be changed to another product on a specified date. If your account is a time account, the change will not occur before the next maturity date of your account. If you do not close your account before the date specified in the notice, we may change your account to that other product on the date specified in the notice.

**CHECK STORAGE AND COPIES** - You agree that you will not receive your canceled checks. We will store your canceled checks or copies of them for a reasonable retention period. You may request copies from us in the manner we require.

**CHECK PROCESSING** - We may process items mechanically by relying on the information encoded along the bottom of the items. This means that we may not individually examine all of your items to determine if the item is properly completed, signed and endorsed. You agree that we have not failed to exercise ordinary care solely because we use an automated system to process items and do not inspect all items processed in such a manner. We reserve the right not to inspect each item because using an automated process helps us keep costs down for you and all account holders. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

**CHECK CASHING** - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

**TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES** - If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

**REMOTELY CREATED CHECKS** - Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line. For example, if a person provides an account number in response to a telephone solicitation, the telephone solicitor can use the account number to issue a remotely created check to withdraw money from that account.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; and (3) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

**UNLAWFUL INTERNET GAMBLING NOTICE** - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

**ADDRESS OR NAME CHANGES** - You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

**ACCOUNT ORGANIZATION** - We have organized your account in a nontraditional way. Your account consists of two subaccounts. One of these is a transaction subaccount (e.g., a checking subaccount). You will transact business on this subaccount. The other is a nontransaction subaccount (e.g., a savings subaccount). You cannot directly access the nontransaction subaccount, but you agree that we may automatically, and without a specific request from you, initiate individual transfers of funds between subaccounts from time to time at no cost to you. This account organization will not change the amount of federal deposit insurance available to you, your available balance, the information on your periodic statements, or the dividend calculation, if this is a dividend-bearing account. You will not see any difference between the way your account operates and the way a traditionally organized account operates, but this organization makes us more efficient and helps to keep costs down.

**FUNDS TRANSFERS** - The terms used in this section have the meaning given to them in Article 4A of the Uniform Commercial Code - Funds Transfers (UCC 4A). This section will generally not apply to you if you are a consumer. However, even if you are a consumer, this section will apply to that part of any funds transfer that is conducted by Fedwire. This section is subject to UCC 4A as adopted in the state in which you have your deposit with us. This agreement is also subject to all clearing house association rules, rules of the Board of Governors of the Federal Reserve System and their operating circulars. If any part of this agreement is determined to be unenforceable, the rest of the agreement remains effective. This agreement controls funds transfers unless supplemented or amended in a separate written agreement signed by us.

**Funds transfer** - A funds transfer is the transaction or series of transactions that begin with the originator's payment order, made for the purpose of making payment to the beneficiary of the order. A funds transfer is completed by the acceptance by the beneficiary's bank of a payment order for the benefit of the beneficiary of the originator's order. Generally, a funds transfer does not include any transaction if any part of the transfer is covered by the Electronic Fund Transfer Act of 1978, as amended from time to time. You may give us a payment order orally, electronically, or in writing, but your order cannot state any condition to payment to the beneficiary other than the time of payment.

**Authorized account** - An authorized account is a deposit account you have with us that you have designated as a source of payment of payment orders you issue to us. If you have not designated an authorized account, any account you have with us is an authorized account to the extent that payment of the payment order is not inconsistent with the use of the account.

**Acceptance of your payment order** - We are not obligated to accept any payment order that you give us, although we normally will accept your payment order if you have a withdrawable credit in an authorized account sufficient to cover the order. If we do not execute your payment order, but give you notice of our rejection of your payment order after the execution date or give you no notice, we are not liable to pay you as restitution any interest on a withdrawable credit in a non-interest-bearing account.

**Cutoff time** - If we do not receive your payment order or communication canceling or amending a payment order before our cutoff time on a funds transfer day for that type of order or communication, the order or communication will be deemed to be received at the opening of our next funds transfer business day.

**Payment of your order** - If we accept a payment order you give us, we may receive payment by automatically deducting from any authorized account the amount of the payment order plus the amount of any expenses and charges for our services in execution of your payment order. We are entitled to payment on the payment or execution date. Unless your payment order specifies otherwise, the payment or execution date is the funds transfer date we receive the payment order. The funds transfer is completed upon acceptance by the beneficiary's bank. Your obligation to pay your payment order is excused if the funds transfer is not completed, but you are still responsible to pay us any expenses and charges for our services. However, if you told us to route the funds transfer through an intermediate bank, and we are unable to obtain a refund because the intermediate bank that you designated has suspended payments, then you are still obligated to pay us for the payment order. You will not be entitled to interest on any refund you receive because the beneficiary's bank does not accept the payment order.

**Security procedure** - As described more fully in a separate writing, the authenticity of a payment order or communication canceling or amending a payment order issued in your name as sender may be verified by a security procedure. You affirm that you have no circumstances which are relevant to the determination of a commercially reasonable security procedure unless those circumstances are expressly contained in a separate writing signed by us. You may choose from one or more security procedures that we have developed, or you may develop your own security procedure if it is acceptable to us. If you refuse a commercially reasonable security procedure that we have offered you, you agree that you will be bound by any payment order issued in your name, whether or not authorized, that we accept in good faith and in compliance with the security procedure you have chosen.

**Duty to report unauthorized or erroneous payment** - You must exercise ordinary care to determine that all payment orders or amendments to payment orders that we accept that are issued in your name are authorized, enforceable, in the correct amount, to the correct beneficiary, and not otherwise erroneous. If you discover (or with reasonable care should have discovered) an unauthorized, unenforceable, or erroneously executed payment order or amendment, you must exercise ordinary care to notify us of the relevant facts. The time you have to notify us will depend on the circumstances, but that time will not in any circumstance exceed 14 days from when you are notified of our acceptance or execution of the payment order or amendment or that your account was debited with respect to the order or amendment. If you do not provide us with timely notice you will not be entitled to interest on any refundable amount. If we can prove that you failed to perform either of these duties with respect to an erroneous payment and that we incurred a loss as a result of the failure, you are liable to us for the amount of the loss not exceeding the amount of your order.

**Identifying number** - If your payment order identifies an intermediate bank, beneficiary bank, or beneficiary by name and number, we and every receiving or beneficiary bank may rely upon the identifying number rather than the name to make payment, even if the number identifies an intermediate bank or person different than the bank or beneficiary identified by name. Neither we nor any receiving or beneficiary bank have any responsibility to determine whether the name and identifying number refer to the same financial institution or person.

**Record of oral or telephone orders** - You agree that we may, if we choose, record any oral or telephone payment order or communication of amendment or cancellation.

**Notice of credit** - If we receive a payment order to credit an account you have with us, we are not required to provide you with any notice of the payment order or the credit.

**Provisional credit** - You agree to be bound by the automated clearing house association operating rules that provide that payments made to you or originated by you by funds transfer through the automated clearing house system are provisional until final settlement is made through a Federal Reserve Bank or otherwise payment is made as provided in Article 4A-403(a) of the Uniform Commercial Code.

**Refund of credit** - You agree that if we do not receive payment of an amount credited to your account, we are entitled to a refund from you in the amount credited and the party originating such payment will not be considered to have paid the amount so credited.

**Amendment of funds transfer agreement** - From time to time we may amend any term of this agreement by giving you reasonable notice in writing. We may give notice to anyone who is authorized to send payment orders to us in your name, or to anyone who is authorized to accept service.

**Cancellation or amendment of payment order** - You may cancel or amend a payment order you give us only if we receive the communication of cancellation or amendment before our cutoff time and in time to have a reasonable opportunity to act on it before we accept the payment order. The communication of cancellation or amendment must be presented in conformity with the same security procedure that has been agreed to for payment orders.

**Intermediaries** - We are not liable for the actions of any intermediary, regardless of whether or not we selected the intermediary. We are not responsible for acts of God, outside agencies, or nonsalaried agents.

**Limit on liability** - You waive any claim you may have against us for consequential or special damages, including loss of profit arising out of a payment order or funds transfer, unless this waiver is prohibited by law. We are not responsible for attorney fees you might incur due to erroneous execution of payment order.

**Erroneous execution** - If we receive an order to pay you, and we erroneously pay you more than the amount of the payment order, we are entitled to recover from you the amount in excess of the amount of the payment order, regardless of whether you may have some claim to the excess amount against the originator of the order.

**Objection to payment** - If we give you a notice that reasonably identifies a payment order issued in your name as sender that we have accepted and received payment for, you cannot claim that we are not entitled to retain the payment unless you notify us of your objection to the payment within 60 days of our notice to you.

## **BUSINESS DEBIT CARD AGREEMENT TERMS AND CONDITIONS**

**Introduction** - This Business Debit Card Agreement (“Agreement”) contains contract terms and other important information relating to your Business Debit Card (“Card”). These terms govern the operation of this account unless varied or supplemented in writing. This Agreement also incorporates any other terms and conditions provided separately with your account agreement as well as the terms of any disclosures you may have received. You should read this Agreement carefully and keep a copy for your records.

In this agreement and disclosure statement (agreement), the words “you” and “your” mean each and all of those who agree to be bound by this agreement; “Card” means VISA debit card and any duplicates, substitutions, or renewals the credit union issues to you; “Account” means the checking account designated on the application for membership. “Credit Union” means MIDFLORIDA Credit Union or anyone to whom the Credit Union transfers this agreement; and “transaction” means use of the Card or the Account number on the Card and a Personal Identification Number or Code (PIN) when required, to perform a transaction with the Card.

**Applicable Law** - This Agreement will be governed by the laws of the state in which your account is located as well as federal laws and regulations. Normal banking customs and practices also apply.

**Definitions** - Unless inconsistent, words and phrases used in this document shall be construed so that the singular includes the plural and the plural includes the singular. The words “we,” “our,” and “us” refer to the financial institution which issues the Card. The words “you” and “your” refer to the owner of the specific account for which Card transactions are permitted. The word “Cardholder” refers to any person authorized by you to use the Card.

**Business Card Purpose** - You and any Cardholder agree that this Card is for use by business owners and employees. The Card can be used for business purpose point-of-sale and Automated Teller Machine (ATM) transactions only. The Card may not be used for personal purposes. You acknowledge and understand that the Card shall not be treated as a consumer card under the provisions of state and federal law. You agree to provide written instructions to all Cardholders that the Card shall not be used for consumer purposes. We assume all transactions are for business purposes. We do not monitor transactions to determine their purpose.

**Account Requirement** - Payment Responsibility, Transferability, Enforceability. The services described in this Agreement will be available to you only as long as you maintain a business checking account with us. You are liable for the payment of Card transactions authorized by you or your agent or any Cardholder or their agent. This account may not be transferred or assigned without our written consent. If any terms of this Agreement cannot be legally enforced, it will be considered changed to the extent necessary to comply with applicable laws. If any part of this Agreement becomes unenforceable, it will not make any other part unenforceable.

**Returns** - Merchant and others who honor the Card may give credit for returns or adjustments. They may do so by initiating a credit to the Credit Union, and your Account will be credited. The funds from a return or adjustments may not be immediately available for your use.

**Currency Conversion and International Transactions** - When you use your Card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

Visa USA charges us a .8% International Service Assessment on all international transactions, regardless of whether there is a currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. In either case, we pass this international transaction fee on to you. An international transaction is a transaction where the country of the merchant is outside the USA.

**Disclosure of Account Information to Third Parties** - The Credit Union will disclose information to third parties about your Account or the Transactions you make when: (1) it is necessary for completing transactions; (2) in order to verify the existence and condition of your Account for a third party such as a credit bureau or merchant; (3) in order to comply with government agency or court order; or (4) if you give us your permission.

**How to Use the Business Card, Security Procedures** - The Card allows Cardholders to directly access the business checking account specified in your Card Application. We will issue Cards and codes to you at your request. Each Card will identify your business or the Cardholder.

**You agree to the following security procedures** - Each Cardholder must sign their Card before it may be used. You agree to require both a Card and a code to be used together to obtain cash at designated ATMs. However, you may use your Card to purchase goods or pay for services without a code. Once a Card has been issued it cannot be transferred to another person. You agree to immediately notify us when you terminate a Cardholder's rights and to promptly return the Card to us. You agree to provide written instructions to all Cardholders about the importance of protecting the Card and code. You agree to examine your receipts and periodic statements in a timely manner. You agree that the dollar/frequency limits assigned to each Cardholder will also act as a security procedure. You also agree to all security procedures identified in the attached funds transfer agreement.

#### **Termination and Amendments.**

We may terminate this Agreement by written notice to you.

You may terminate this Agreement by written notice to us.

We may make amendments to this Agreement in the same method as provided in the terms and conditions provided in your account agreement. Use of your Card after receipt of notice of an amendment constitutes your acceptance of the change.

**Notices** - Any notices mailed to you under this Agreement will be mailed to the address we have for you in our records. You will keep us notified of your current mailing address.

**Order of Payment** - Our policy is to post and pay Card transactions in the order they are received. We reserve the right to pay Card transactions before checks, drafts, and other items.

**Overdraft Protection** - If your account has an overdraft protection feature, unless otherwise agreed in writing, Card transactions that would otherwise overdraw your account will be covered by the overdraft protection feature. Your overdraft protection feature will be documented on a separate agreement. You should become familiar with that document as some of the terms, such as your liability for unauthorized transfers initiated with your Card, may vary from the terms of this Agreement.

**Stop Payment Waiver** - You waive the right to stop payment on any properly authorized debit transaction. Merchants and others who honor the Card may give credit for returns or adjustments by initiating a credit to us. We will credit that amount to your Account, but the funds from a return or adjustment may not be immediately available for your use.

## **TYPES OF TRANSACTIONS**

Below are the types of transactions your Card will accommodate.

**ATM Transfers** - You may access your account by ATM using your Card and code to:

- make deposits to your checking account.
- get cash withdrawals from your checking account.
- you may withdraw no more than \$500.00 per day.
- transfer funds from your checking account to your savings account.
- get information about:
- the account balance of your checking account.

Some of these services may not be available at all terminals.

For security reasons, there are other limits on the number of transfers you can make by ATM.

**Point-of-Sale Transactions.** You may access your checking account with your Card to purchase goods (in person, online, or by phone), pay for services (in person, online, or by phone), get cash from a merchant, if the merchant permits, or from a participating financial institution, and do anything that a participating merchant will accept.

**Using your Card and/or code:** you may not exceed \$5,000.00 in transactions per day.

For security reasons, there are other limits on the number of transfers you can make by debit card.

**Advisory Against Illegal Use** - You agree not to use your Card for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the Cardholder may be located.

**Non-Visa Debit Transaction Processing** - We have enabled non-Visa debit transaction processing. This means you may use your Visa-branded debit card on a PIN-Debit Network\* (a non-Visa network) without using a PIN.

The non-Visa debit network(s) for which such transactions are enabled are: ACCEL/Exchange Network.

Examples of the types of actions that you may be required to make to initiate a Visa transaction on your Visa-branded debit card include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal.

Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

The provisions of your agreement with us relating only to Visa transactions are not applicable to non-Visa transactions. For example, the additional limits on liability (sometimes referred to as Visa's zero-liability program) and the streamlined error resolution procedures offered on Visa debit card transactions are not applicable to transactions processed on a PIN-Debit Network.

\*Visa Rules generally define PIN-Debit Network as a non-Visa debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

## DOCUMENTATION

**Terminal Transfers** - You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.

**Retain Copies for Your Records.** You should retain copies of all records including receipts, credit slips (for returned merchandise), and cancellation numbers (for cancelled reservations). You should also mark each transaction in your account record (but not while at a terminal). You should review your periodic statement for accuracy and compare your account record against your periodic statement to reconcile balances.

**Periodic Statements** - You will get a monthly account statement from us for your checking account that will also include a record of transactions made using your Card.

## LIMITATIONS ON OUR LIABILITY

We will not be liable if:

- through no fault of the Credit Union you do not have enough money in your account to make the transfer or withdrawal.
- you have an overdraft line and the transfer would cause you to exceed your credit limit.
- an ATM does not have sufficient cash.
- your account is subject to legal process or other claim.
- a terminal or system is not working properly.
- the Credit Union believes that something is wrong, for example, that your Card has been stolen.
- circumstances beyond our control (such as fire or flood) prevent the transfer.
- a merchant refuses to accept your Card.
- an ATM rejects your Card.
- as otherwise provided in regulations of the Board of Governors of the Federal Reserve System.

There may be other limitations on our liability.

Additionally, the Credit Union is not liable for the refusal or inability of any electronic terminal to honor the Card or complete a withdrawal from your account, or for its retention of the Card. The Credit Union is also not responsible for the refusal of any merchant or financial institution to honor the Card or for their retention of the Card.

## UNAUTHORIZED TRANSFERS

**Additional Risk Associated with Use of Business Purpose Cards** - You will not have the benefit of any consumer law limiting liability with respect to the unauthorized use of your Card. This means your liability for the unauthorized use of your Card could be greater than the liability in a consumer debit card transaction. You accept and agree to undertake the additional risk and greater measure of liability associated with the use of business purpose cards as described in this Agreement.

**Your Liability for Unauthorized Transfers** - You are liable for Card transactions you do not authorize if we can prove that we processed the transaction in good faith and in compliance with a commercially reasonable security procedure to which we both agreed, unless otherwise required by law.

Tell us AT ONCE if you believe your Card and/or code has been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If your Card and/or code is lost, stolen, or used without your permission, you agree to notify us immediately and to promptly confirm such notice in writing. Your liability for transactions with your Card and/or code will continue until 2 business days

after the day we receive such written notice. If you do not notify us within 60 days from when the periodic statement containing an unauthorized transaction was first mailed or made available to you, we will be entitled to treat the information in the periodic statement as correct, and you will be precluded from asserting otherwise.

**Additional Limit on Liability** - Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any transactions using your lost or stolen Card if you report the unauthorized transfer within 60 days of the mailing date of the first statement showing the unauthorized transfer. Unauthorized transfers do not include: 1) any transaction by a business co-owner, a cardholder or person authorized by a cardholder, or other person with an interest in or authority to transact business on the account; or 2) any transaction by a cardholder that exceeds the authority given by the Visa Business check card account owner. This additional limit on liability does not apply to ATM transactions or to transactions using your Personal Identification Number which are not processed by Visa®.

**Contact in Event of Unauthorized Transfer** - If you believe your Card and/or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number or address listed in this brochure.

**Consequential Damages** - We will not be liable for any consequential or incidental damages resulting from the unauthorized use of your Card.

## **ERROR RESOLUTION**

You agree to examine your receipts and periodic statements using ordinary care and to report any errors or problems to us within a reasonable time. You agree that the time to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 60 days from when the statement containing the error or problem was first mailed or made available to you. If you do not report within 60 days, we will be entitled to treat such information as correct and you will be precluded from asserting otherwise. You further agree that if you fail to report to us within 14 days from when the statement was first mailed or made available to you that we will not be required to pay dividends or interest on any refund to which you may be entitled. We will only recredit your account for errors or problems as required by law.

Call or write us immediately with errors or questions about your electronic transfers at the telephone number or address listed in this brochure. If you tell us orally, we may require your complaint or question in writing within 14 business days.

For transactions processed by Visa, we will determine whether an error occurred within 5 business days after we hear from you and will correct any error promptly. If we need more time, however, we will credit your account within 5 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. For transactions not processed by Visa, we will investigate the matter and notify you of the results within a reasonable amount of time. The exact time will depend on the specific circumstances of the error or problem.

You may ask for copies of the documents that we used in our investigation.

## **NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS**

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

Prepare for your transactions in advance (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.

Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.

Compare your records with the account statements you receive.

Don't lend your Card to anyone.

Remember, do not leave your Card at the ATM. Do not leave any documents at a night deposit facility.

Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM Card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your Card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.

Prevent others from seeing you enter your PIN by using your body to shield their view.

If you lose your Card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your Card is lost or stolen.

When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.

Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.

If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your Card and leave. You might consider using another ATM or coming back later.

Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home or other secure surrounding.

At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.

We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

## **YOUR ABILITY TO WITHDRAW FUNDS**

This policy statement applies to "transaction" accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Share draft accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 2:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 2:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM before 12:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit at an ATM after 12:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

### **LONGER DELAYS MAY APPLY**

**Case-by-case delays** - In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

**Safeguard exceptions** - In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.
- We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

### **SPECIAL RULES FOR NEW ACCOUNTS**

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the tenth business day after the day of your deposit.
